| Employer and hours you normally work | Anything else you do that you want to tell us about? | |
| Parent/Guardian Information (Addresses & phone numbers if different) | | |

IMPORTANT INFORMATION FOR APPLICANTS AND THEIR PARENTS

- Explorer meetings and drills are held "every other Wednesday" at 7pm at the North Madison Firehouse. The fire department also has regular drills which Explorers can attend on the first, fourth, and fifth Tuesdays of every month.
- Participating in the Explorer Post requires a significant commitment. Member must be able to attend the Explorer drills and meetings held every other Wednesday. Missing a few here and there is normal. But if you have or anticipate school and athletic conflicts regularly on Wednesday nights, this may not be a good time to join.
- Members are held to a higher standard than your average "Joe The Student". Behavior even outside the fire department reflects directly on the fire department. School, motor vehicle, and criminal problems are not tolerated and may result in disciplinary action.
- Please read the attached rules and guidelines. If you have any questions, please ask one of the current Explorer officers or the Explorer Post Adviser.
